THE ART OF BLOOMING

PRESENTED BY ANNIKA SALA

WEEKEND SEMINARS: THE ART OF BLOOMING

EXPERIENCE AN INTENSIVE AND INSPIRING SUMMER WEEKEND SEMINAR DEDICATED TO KUNG FU.

THE ART OF BLOOMING IS A SEMINAR HELD IN HAMBURG GERMANY, DESIGNED TO BUILD A DEEPER CONNECTION WITH YOUR BODY, YOUR ENERGY AND YOUR INNER STRENGTH. ROOTED IN TRADITIONAL CHINESE TRAINING METHODS, THIS SEMINAR FOLLOWS A STRUCTURE CLOSELY ALIGNED WITH HOW KUNG FU IS TAUGHT IN CHINA.

THIS IS AN INVITATION TO OPEN FROM WITHIN, TO CULTIVATE STRENGTH AND SOFTNESS AT THE SAME TIME AND ALLOW YOUR PRACTICE TO BLOOM, NATURALLY AND AUTHENTICALLY.

WHERE:

MOVEMENT SPACE
HAMBURG: PAULINENALLEE
28, 20259, GERMANY

WHEN:

JULY
3.7 - 5.7

AUGUST
14.8 - 16.8

WHAT WE PRACTICE:

KUNG FU BASICS

We build a foundation through fundamental stances, movements, coordination and alignment. The basics are the roots of all forms.

BODY OPENING & INNER AWARENESS

A central focus is opening the body from inside out. Through mindful movement, breath and structure, we release tension, create space and allow energy to flow.

MEIHUA QUAN

We will go deeply into the traditional form Meihua Quan. These stances are the treasure of china and sharpen balance, internal connection, rhythm while cultivating both elegance and power.

TRAINING PHILOSOPHY

The seminar follows a clear and disciplined structure, inspired by traditional Chinese Kung Fu. Training is focused, embodied and practical, yet always connected to inner awareness and personal development.

We work with repetition, holding stances, presence and conscious effort, allowing strength, flexibility and clarity to grow naturally over time.

This is not about pushing harder, but about opening deeper.

WHO THIS SEMINAR IS FOR:

The seminar is open to **all ages and levels**. No prior experience is required.

Whether you are new to Kung Fu, to movement in general or have been training for years, you will be guided in a way that allows you to work at your own level while still being challenged and inspired.

SEMINAR LANGUAGE

The seminar language will depend on the group. I speak both German and English and will naturally switch between the two, creating a balanced mix so that everyone can follow.

THE ART OF BLOOMING

ABOUT ANNIKA SALA

I, Annika Sala, grew up in Cancún, Mexico, as a daughter of a Mexican father and a German-Dutch mother.

Professionally, I initially pursued a legal path, earning a Bachelor of Laws, before finding my true calling and passion: telling stories that move peoples heart - whether as an actress, screenwriter and stunt fighter, or through my experiences with Kung Fu martial Arts in China, which I am eager to share with the world.

I have a close relationship with my Master Shifu Yanpeng in China and continue to learn from him. I have been granted permission to pass on this knowledge and I very much look forward to sharing it with you.
